ABOUT US

Established in 1981, by its founder, Hubert N Anthony, the company has been growing as a family business since then. With three decades of trusted legacy and delivering excellence, the Hants Group is well recognized for providing quality solutions to the bedding industry in Sri Lanka.

Every Hants mattress has been designed to provide sublime comfort, excellent body support and lasting durability for a guaranteed and exceptional sleep experience for the guest whilst meeting the hospitality industry standards in terms of fire retardancy and anti-microbial activity.

We also work closely with partners to provide tailored and versatile hospitality sleep solutions to encourage repeat business and reach positive reviews and deliver unique and memorable designs and specifications whilst maximizing occupancy and revenues for the client. We also take care of flexible hassle free service offering speedy and cost effective solutions, old bed disposal and recycling as well as after sales service as you would expect from a reputed brand.

We are proud to be the pioneer in spring mattress manufacturing in Sri Lanka and the first choice bed and mattress maker for the hospitality industry.
